Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane
Rockville, MD. 20857

MAY 13 A9:37

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have the right to pick & choose where I shop for my medications. It is not right for anyone to tell me where to shop. Should I shop in Illinois only for other purchases. I go to Walgreen, Mecklenburg etc to shop quite frequently for household and other items. I bought all my furniture in Indiana. I don't think the state of Indiana would like it if you told them no one could cross over to make purchases and have them delivered to another state.
